AIAT YOUTH TROPHY

in Memoriam of Dr. Günzel Graf von der Schulenburg – this year at the CIAT Heitlingen

For the first time this trophy was awarded in 2023 at the 4th CIAT of Redefin.
Unfortunately the 5th CIAT will not take place this year.

So we invite young drivers to compete for the AIAT YOUTH TROPHY at Heitlingen. This is a perpetual prize designed to create opportunities for young drivers to present themselves at a very early stage of their careers and to actively compete at driving tournaments. Consequently the award applies to drivers younger than 26 years. For this year the relevant age group must be born in 1999 or later.

The winner's name shall be engraved on the trophy which makes it more attractive and prestigious year by year, and we hope for future great names on it.

Of course, the winner will also receive a keeper's trophy.

The young driver who scores the highest number of points over the three phases of the CIAT will be the winner of the AIAT YOUTH TROPHY.
